

We would like to invite you to join us for the 2009 HCPO/HIGICC Conference. This joint conference will include a partnership of the planning and GIS communities, hosted by the Hawaii Congress of Planning Officials (HCPO) and Hawaii Geographic Information Coordinating Council (HIGICC). The conference is scheduled for **September 23-25, 2009**, at the **Sheraton Waikiki on Oahu**.

"*Building Resilient Communities*", the theme of this year's conference, is a current topic of interest to all. We will include a discussion of the environmental, economic, and social components of community resiliency. For more information, please visit our website:
