

# Maui Green Mixer

Presented by the USGBC Hawaii Chapter

## Networking for Green Building and Sustainability

This networking event is intended for anyone interested in green building and sustainability. It is a chance to engage in conversation and network with like-minded green building and sustainability community members.

The USGBC is the nation's leader in green building and sustainable development. The creators of LEED, the USGBC is setting the benchmark for green building in the United States. Here is your chance to interact with local USGBC leaders and members, and experience what opportunities exist to make a difference in green building and sustainability in Hawaii.

**\*Follows USGBC Hawaii Chapter's Maui Renewable Energy Day Tour\***

**Renewable Energy Day Tour** will visit the Kaheawa Wind Farm (First Wind), Maui Ocean Center (Small Wind), and Makena Resort PV Powered Wastewater Facility and includes *free entry to the Green Mixer*

Visit [www.usgbchawaii.org/events](http://www.usgbchawaii.org/events) for more details on the Maui Renewable Energy Day Tour
