

# Maui Renewable Energy Day

Presented by the USGBC Hawaii Chapter

## Tour Maui Renewable Energy Projects

Enjoy a tour of some of Maui's leading renewable energy projects. Experience up close the types of renewable energy systems that you hear and read about. Please join us for tours of these projects and learn from the people who made it happen. The tour will consist of visits to the following locations:

**First Wind - Kaheawa Wind Farm**

**Maui Ocean Center - Small Wind**

**Makena Resort - PV Powered Wastewater Facility**

**\*USGBC Hawaii Chapter's Green Mixer Networking Event will follow the Tour\* (Free entry to Green Mixer included in Tour fees!)**

**Green Mixer** – Chance to network and engage in conversation with other local green building and sustainability enthusiasts
