You are invited to participate in the public review of proposed revisions to the Ewa Development Plan. The revisions to the Plan have been prepared based on interviews, workshops, and research conducted since 2003.

Copies of the proposed revised Plan will be available shortly from the Department of Planning and Permitting in pdf format on the Department's Web page <http://www.honoluluodpp.org/Planning/> and in hard copy and CD format from the Department offices (Fasi Municipal Building 7<sup>th</sup> Floor, 650 S. King Street). Please check the website for an announcement when the Plan is available.

A Public Review Draft Workshop will be held on October 25, 2008 at DHHL's Hale Kalaniana'ole Meeting Room from 8:00 am to 12:30 pm to collect comments on both the proposed changes and the implementation of the Plan since adoption in 1997. See the other side for more information.

The deadline to insure that comments on the Public Review Draft Plan get considered in preparing the final recommended revisions to the Plan is Nov. 17, 2008. We will gladly accept comments submitted after that deadline, but cannot insure that we will be able to inventory them and use them in preparing the revised Plan that will be sent to the Planning Commission. Any comments received after the deadline that are not included in our Review Report will be forwarded to the Planning Commission.

To provide comments and suggestions either before or after the Workshop, please contact Bob Stanfield at the Department of Planning and Permitting by

- Mail: 650 South King Street, 7<sup>th</sup> Floor, Honolulu, Hawaii 96813;
- E-mail: [bstanfield@honolulu.gov](mailto:bstanfield@honolulu.gov);
- Fax: (808) 768-6743; or Voice mail: (808) 768-8051.

We also invite members of the community to submit testimony to the Planning Commission and the City Council after the Plan goes to the Planning Commission.
